Airport Vehicle Gate Access System and Card Upgrades

WHAT: North Las Vegas Airport will be upgrading the current gate card readers to a new proximity card reader system.

Prior to the installation of this upgraded system, new gate cards will be issued to airport tenants.

Please visit the Airport Administration Office to obtain your new gate card.

Required documentation at the time of new card issuance:

- ✓ Current Gate Card and ID.
- ✓ Current vehicle registration for each vehicle you want to bring onto the airfield.
- ✓ Current vehicle insurance declaration page with DOA required minimum limits, listing all vehicles for requested ramp access. Insurance cards will not be accepted.
 - *Bodily Injury, Each Person \$250,000*
 - *Bodily Injury, Each Accident \$500,000*
 - *Property Damage \$250,000*
 - Or*
 - *Combined Single Limit (CSL) \$500,000*

If a current gate card is presented at the time of your visit, the \$50.00 gate card deposit will not be required for the new card.

WHEN: **August 11, 2020 – October 16, 2020**

WHY: Ongoing airport security enhancements. The upgraded system will have an increased level of access control, allowing the airport to audit and provide or deny access to specific card holders.

AFFECTED TENANTS: North Las Vegas Airport tenants who have a contractual relationship with the airport, e.g. enclosed hangar, shade hangar, open tie-down, DOA approved sublease, or DOA approved business.

If you have any questions, please contact the North Las Vegas Airport Administration Office at (702)261-3801.
